SECTION 13.

ORIENTATION PROGRAMS

In addition to the training that will be offered to teachers and evaluators, CEA Public Schools will hold annual orientation programs about the EPDE system on a school-wide basis. Orientations will take place no later than September 30, or before the evaluation process begins for any educator, whichever is earlier. The purpose of the orientation is to review the evaluation process, materials and resources available to teachers and evaluators, and to answer questions for clarification. An on-line version will be available so that teachers and evaluators can refer back to it as need be.
