

Testimony of

Ann Malinowski

South Windsor Educator

Before the

Education Committee

March 1, 2023

Good afternoon, Senator McCrory, Representative Currey, Senator Berthel, Representative McCarty, and members of the Education Committee.

I testify today in support of the caps on class sizes proposed in Senate Bill 1093, which would take an important step in ensuring that classrooms are places where students can learn, and educators can teach.

Smaller classes gives the teacher more time devoted to the individual student in order to meet their learning needs.

Thank you for your time and consideration.
