

Testimony of

Annamaria Gamberdella-Gagliardi

Stamford Educator

Before the

Education Committee

March 1, 2023

Good afternoon, Senator McCrory, Representative Currey, Senator Berthel, Representative McCarty, and members of the Education Committee.

I testify today in support of the caps on class sizes proposed in Senate Bill 1093, which would take an important step in ensuring that classrooms are places where students can learn, and educators can teach.

There are way too many kids in front of us that need so much individualized attention. Please reduce the class sizes so we teachers have a better chance to help kids with what they need.

Thank you for your time and consideration.
