

Testimony of

**Brenda Zanga**

**Stamford Educator**

Before the

Education Committee

March 1, 2023

Good afternoon, Senator McCrory, Representative Currey, Senator Berthel, Representative McCarty, and members of the Education Committee.

I testify today in support of the caps on class sizes proposed in Senate Bill 1093, which would take an important step in ensuring that classrooms are places where students can learn, and educators can teach.

I am currently teaching six classes at the high school level with 30 students in each of my classes. That is 180 students I am responsible for teaching, guiding and ensuring that they are receiving the specialized attention their learning needs require. It is humanly impossible to do this well and not let any student miss out on the attention to their education that they deserve.

Thank you for your time and consideration.
