

Testimony of

Kathleen Auperin

LEARN Educator

Before the

Education Committee

March 1, 2023

Good afternoon, Senator McCrory, Representative Currey, Senator Berthel, Representative McCarty, and members of the Education Committee.

I testify today in support of the caps on class sizes proposed in Senate Bill 1093, which would take an important step in ensuring that classrooms are places where students can learn, and educators can teach.

Small class sizes are necessary if we are going to meet the emotional, social and academic needs of our young people. I challenge you visit our classrooms and experience “a day in the life” of your teachers.

Thank you for your time and consideration.
