

Testimony of

**Kimberly Quinn**

**Granby Educator**

Before the

Education Committee

March 1, 2023

Good afternoon, Senator McCrory, Representative Currey, Senator Berthel, Representative McCarty, and members of the Education Committee.

I testify today in support of Senate Bill 1093, which would implement caps on class sizes and take an important step in ensuring that classrooms are places where students can learn and educators. When it comes to working with students to individualize instruction and try to meet all of the individualized educational plans we are seeing- numbers matter!

Thank you for your time and consideration.
