

Testimony of

Nelida Agosto

Bridgeport Educator

Before the

Education Committee

March 1, 2023

Good afternoon, Senator McCrory, Representative Currey, Senator Berthel, Representative McCarty, and members of the Education Committee.

I testify today in support of the caps on class sizes proposed in Senate Bill 1093, which would take an important step in ensuring that classrooms are places where students can learn, and educators can teach.

It is very difficult to reach the needs of every student with such a large class size. A class size cap would be greatly beneficial to the education of our youth.

Thank you for your time and consideration.
