

Testimony of

**Sarah Beauleau**

**Stamford Educator**

Before the

Education Committee

March 1, 2023

Good afternoon, Senator McCrory, Representative Currey, Senator Berthel, Representative McCarty, and members of the Education Committee.

I testify today in support of the caps on class sizes proposed in Senate Bill 1093, which would take an important step in ensuring that classrooms are places where students can learn, and educators can teach.

There has to be a cap on class size for teachers to be able to effectively teach their students. With the growing deficit caused by COVID it is even more important now than ever before that students get enough time with their teacher.

Thank you for your time and consideration.
