

Testimony of

Vanessa Coy-Kenyhercz

Stamford Educator

Before the

Education Committee

March 1, 2023

Good afternoon, Senator McCrory, Representative Currey, Senator Berthel, Representative McCarty, and members of the Education Committee.

I testify today in support of the caps on class sizes proposed in Senate Bill 1093, which would take an important step in ensuring that classrooms are places where students can learn, and educators can teach.

I have always found with the diverse population of students that I teach that I need to have smaller class sizes to be the most successful. Our students deserve the best. If there was real emphasis put on education, in terms of money for additional educators, the public school system could be just as successful as private schools.

Thank you for your time and consideration.
