

Sample message to our CT delegation to co-sponsor 82

Dear Congressman Larson,

Thank you for your relentless fight for Social Security enhancement and the repeal of WEP/GPO. As an educator, I am asking you to sign on to HR 82. WEP/GPO impacts teachers and public servants across the country and we need to push for a repeal on all fronts to ensure shortages don't get worse.

Thank you,
Joslyn DeLancey
