

Best Social Media and Online Resources for LGBTQ+ Kids

With so much attention paid to efforts aimed at censoring libraries and banning books with LGBTQ+ content, it can be easy to get distracted over how best to support LGBTQ+ kids. While these are awful tactics that we will always fight back against, we should also be aware that the *primary sources of information for kids today are online*. So while we fight against the attempted erasure of our community, we can also help kids cope and thrive. Here's a few places to point them:

Affirming, positive creators and organizations to follow

The Trevor Project

<https://www.instagram.com/trevorproject/>

The leading suicide prevention organization for LGBTQ+ young people 🌈🌟 Reach a trained counselor 24/7 free & secure at 1-866-488-7386 🌟 Here for you ❤️
